Dear Preschool Parents,

From time to time we like to take photos of the children enjoying different activities in the classroom and on field trips. Photographs help tell a story and are very useful in promoting our program and may be used for class projects, bulletin boards, class albums, individual portfolios, displays for church activities and staff education workshops.

In order to use your child's picture (either individually or in a group) we must have a *signed* PHOTO RELEASE on file for your child. In complying with safety guidelines we will not publish children's names on our web site. This is also a way for family and friends to view classroom photos.

You may withdraw your permission at any time by notifying us in writing.

PHOTO RELEASE

I hereby give permission for Little Sonbeams Christian Preschool to use my child's photo in promoting the school.
